

CE Credits Online and Pioneer RESA are pleased to provide university-accredited, PLU approved online professional development courses that focus on improving teaching and student achievement.

What other Pioneer RESA Teachers are saying:

- “I really enjoyed this class and have used these techniques often, my class has been very smooth with this system”
- “There is so much I learned from this course! So much of what I've gotten from this class has been and will continue to be used every day in my classroom.”
- “I truly have appreciated the opportunity to grow my knowledge base and expand my skills. I am able to directly apply my learning to my everyday career.”
