Pioneer RESA Technology Services Department provides support for the use of technology in teaching, learning and research. We offer a wide variety of customized training options for your school or school system. We provide members of the academic community with the information they need to successfully integrate technology into the curriculum.

Examples of Training Available on a Customized Basis:

Interactive Whiteboards	Internet Safety
Podcasting	Garage Band, Audacity
Wireless Slates / Tablets	Microsoft Office 2007
Student Assessment	Teacher Assessment
Web 2.0 Tools (blogs, wikis, and more)	GeorgiaStandards.org—Learning Village, Destination Math and Reading
eWalk	iPad, iPod Touch
Moodle	Student Response Devices
Graphing Calculators	Document Cameras

Pioneer RESA supports Title IID Competitive Grants by providing consultative services to assist school officials in applying for grants.
